‘BEAUTIFUL HOMES, IN A RURAL SETTING, SURROUNDED BY CHESHIRE COUNTRYSIDE’.

IT'S ALL IN THE DETAIL...

Your new home at Cricketers Green has been built to traditionally high standards, and designed with modern spacious living in mind.

We carefully consider our specification to offer on trend, contemporary accommodation. The kitchen features modern, high gloss cupboard doors and a premium worktop by Symphony. Bosch oven, hob and extractors are included as standard, and complement the sleek kitchen design. The wood effect vinyl flooring finishes off the room, providing a polished end result.

This modern style is not just limited to the downstairs area - the stylish look and feel of the home continues upstairs into the two generously-proportioned bedrooms, and concludes in the luxury family bathroom. You can relax in your own Oasis which features a white Villeroy & Boch bathroom suite, teamed with Hansgrohe taps, an Aqualisa shower installed over the bath and beautiful Porcelanosa wall tiling.

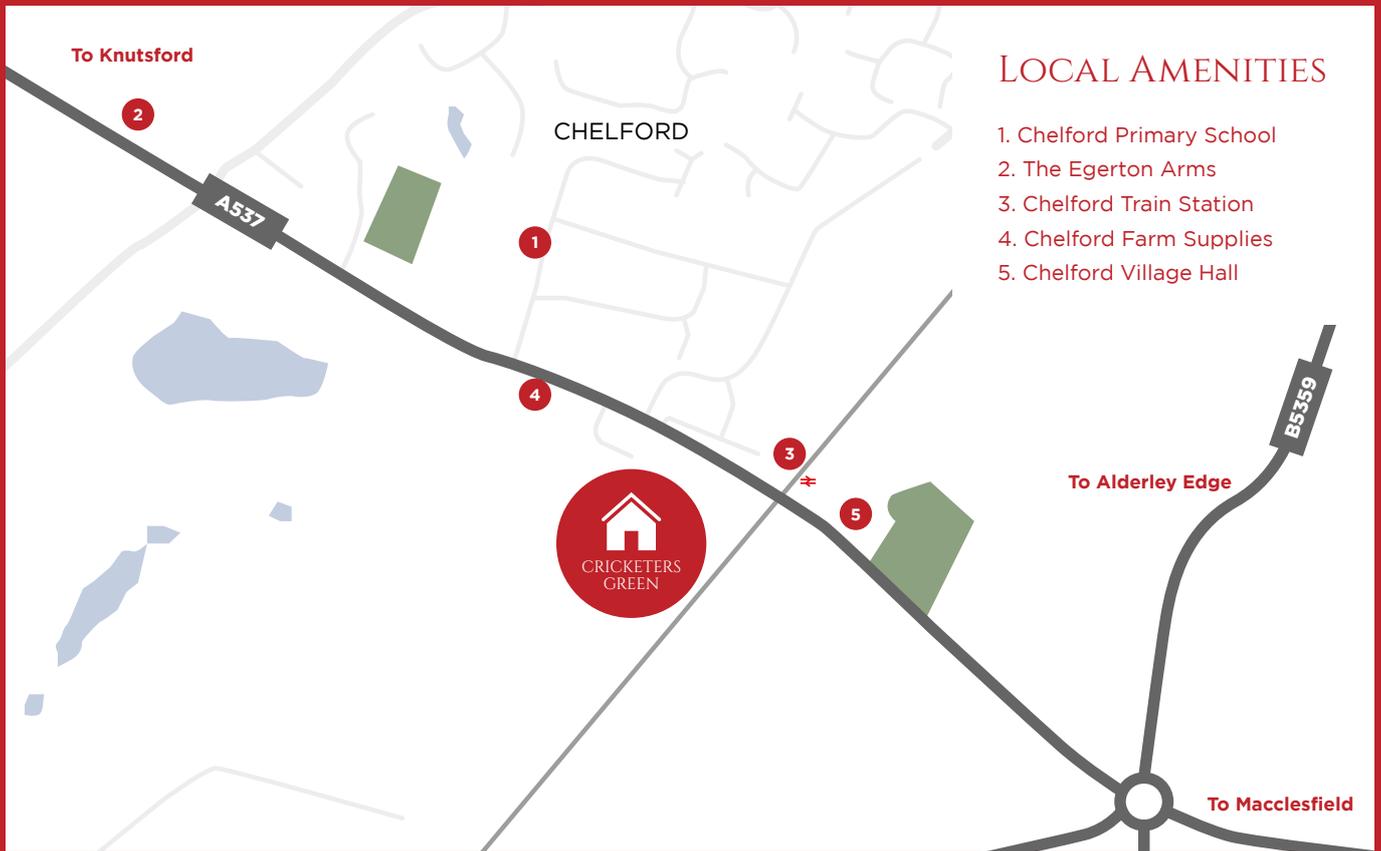

WITH SHARED OWNERSHIP, OWNING YOUR OWN HOME IS EASIER THAN YOU THINK....

Shared Ownership is a quick and easy way to make the transition into homeownership.

Designed especially for people whose finances can't quite stretch to cover the entire property purchase without a helping hand, the Shared Ownership scheme allows you to buy a share of your dream home (between 25%-75%), and pay rent on the share you don't own. This is a great alternative because it means you have a smaller deposit and smaller monthly mortgage payments.
